Thanks for call Simon. I know well what's going on in women/ girls, diversity, gender and Lgbtq issues within UN context. Know the ED's of UNFPA, UNWomen and Unicef well. Anything else you need from me let me know. Thanks very much Simon.

Hi Simon, thank you so, so much for offering me this incredible opportunity. It will be such a privilege and I will be so proud to serve Ireland again. I think the time is really ripe for change too.
