### *International Partners Statement on Sierra Leone's Electoral Process*

International Partners in Freetown commend all political stakeholders for their adherence to date to procedures established by the National Electoral Commission (NEC). We urge all stakeholders to actively promote a peaceful environment and continued respect for the code of conduct established by the Political Parties Registration Commission (PPRC).

We commend the NEC for its professionalism, and encourage political parties and their supporters to exercise calm and restraint until the electoral process is concluded.

International Partners look forward to the peaceful conclusion of a credible electoral process that respects the will of the people and will provide the foundation for a strong renewed partnership with Sierra Leone.
